

CREATE A LEGACY THAT LASTS

Your commitment to the **Coastal Corridor Alliance (CCA)** can live on for generations. By including CCA in your estate plans, you help protect our region's land, wildlife, and cultural heritage far into the future. Planned giving is a powerful way to make a lasting impact—while offering potential financial and tax benefits for you and your loved ones.

Your legacy gift will:

Protect Biodiversity

A legacy gift helps CCA protect coastal lands, waters, and the rare species they sustain—now and for generations to come.

Activate Community Stewardship

A legacy gift allows CCA to train future stewards and create a climate resilient landscape through restoration projects, clean ups, and docent led walks.

Advocate for Public Access

A legacy gift allows CCA to promote appropriate, managed, and equitable access for current and future generations.

LEGACY GIFT OPTIONS

What others have done:

Retirement Withdrawals

If you're 73 or older, you can meet required retirement distributions and reduce taxable income by directing all or part of the funds to CCA. Ask your advisor to name the Alliance as your withdrawal recipient.

Donor Advised Fund

Set up for solely charitable purposes, a donor advised fund allows you to select non-profits to receive disbursements from an established account. Speak to your Fund's manager to setup a gift to CCA.

Beneficiary Designation

You can name CCA as a beneficiary on your retirement, life insurance, or financial accounts. Simply complete the beneficiary form to get started.

Bequests

A charitable bequest secures CCA's future. Consider a specific amount, percentage, or residual gift, and speak with your attorney to include CCA in your estate plan.
