

THE LAND *is Our Legacy*

Because you've already chosen to support the Coastal Corridor Alliance (CCA) (formerly Banning Ranch Conservancy) in the past, we know we share **your values** and **commitment to the land**. We are united in support of protecting the land, plants and animals, and cultural resources. At the same time, we recognize we need to teach people about its significance and how to restore and steward it with the community's help. Together, through this vision, we can leave a remarkable legacy. Will you join us in this effort?

IDEAS FOR *a Legacy Gift*

WHAT OTHERS HAVE DONE:

Retirement Withdrawals

Annual retirement distributions are required for those over 72 years of age. Consider meeting the distribution requirements and reducing your taxable income by selecting the Alliance as the charity to receive all or a portion of the funds. Call your retirement advisor and change the withdrawal recipient to CCA.

Donor Advised Fund

Set up for solely charitable purposes, a donor advised fund allows individuals to select non-profits to receive disbursements from their already established account. Speak to your Fund's manager and setup a gift to CCA.

Beneficiary Designation

Select the Alliance as beneficiary to receive funds from your retirement account, life insurance policy, or other financial account. Complete the paperwork to designate CCA as the beneficiary.
